

2023 Moreau Garden at Moreau Recreation

Established May 20, 2022, the Moreau garden had a productive first year.

Join us if you want your own individual space to

- grow your own veggies, herbs and flowers
- learn about gardening with hands-on guidance
- garden in a community-type atmosphere

The raised beds measure 4x12 feet & are open to individuals, families, youth groups, civic organizations, senior groups, and local businesses.

All levels of gardeners are welcome - from novice to experienced.

The site is equipped with water, tools, shed, and compost system. Some seeds are available to get you started.

The Site Coordinator is a Master Gardener through Warren County Cornell Cooperative Extension. She's available for workshops, guidance, and consultations at the garden.

Contact the Recreation Department
by email recreation@townofmoreau.org or
by phone 518-538-0136
if you are interested in a plot.

Plots are assigned on a first-come, first-served basis.
