

Town of Moreau Zoning Update

Zoning Open House: Public Meeting #1

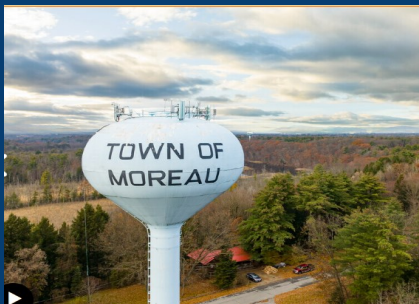

June 27th, 2024— Moreau Town Hall

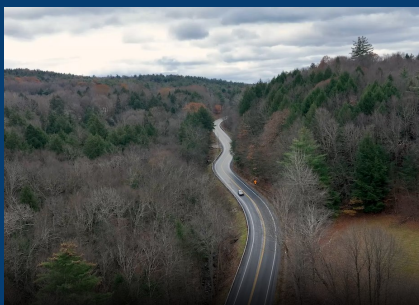

The Town of Moreau is embarking on a process to update the Town's Zoning Code, the regulations which govern land use and development.

This process will guide future growth in Moreau and, working off the 2019 Comprehensive Plan, help realize the community's vision for Moreau as a safe, vibrant, and livable community and a commercial hub.

Stop by Moreau Town Hall anytime from 4pm to 7pm on June 27th. Meet with Zoning Task Force members, and Building Department Staff, to add to the conversation by providing ideas related to Moreau's Zoning . Those unable to attend are invited to email their ideas to the contact below.
