Re: DEC
Nexamp Solar Project 17405 Moreau/6.449 MW/10.4 of 35.52 acres
Town of Moreau, Saratoga County, NY
20PR03866

Dear Mr. Moyer:

Thank you for requesting the comments of the Division for Historic Preservation of the Office of Parks, Recreation and Historic Preservation (OPRHP). We have reviewed the submitted materials in accordance with the New York State Historic Preservation Act of 1980 (section 14.09 of the New York Parks, Recreation and Historic Preservation Law). These comments are those of the Division for Historic Preservation and relate only to Historic/Cultural resources. They do not include potential environmental impacts to New York State Parkland that may be involved in or near your project. Such impacts must be considered as part of the environmental review of the project pursuant to the State Environmental Quality Review Act (New York Environmental Conservation Law Article 8) and its implementing regulations (6NYCRR Part 617).

OPRHP has reviewed the Addendum Phase IB Archaeological Survey Report entitled "Supplemental Phase IB Cultural Resources Survey, Moreau Park 1 Solar Development, Town of Moreau, Saratoga County, New York" prepared by Birchwood Archaeological Services, Inc. (June 2021; 21SR00494). No archaeological sites were identified by the survey. Therefore, it is the opinion of the OPRHP that no properties, including archaeological and/or historic resources, listed in or eligible for the New York State and National Registers of Historic Places will be impacted by this project.

If you have any questions, I can be reached at Jessica.Schreyer@parks.ny.gov.

Sincerely,

Jessica Schreyer
