Point system used to determine prioritization for field assignments and fees for hosting tournaments.

Metric	Points Earned	Notes	Totals
<b>1. Percentage of “Local” Players</b>	No “Local” Players = <b>+0 points</b>  0% < “Local” Players ≤ 10% = <b>+4 points</b>  “Local Players” > 10% = <b>+8 points</b>	“Local” is defined as living in the South Glens Falls School District boundaries. The roster submitted with the field use request is used to determine this percentage.	_____
<b>2. “Local” Coach</b>	Non-“Local” Coach = <b>+0 points</b>  “Local” Coach = <b>+4 points</b>	“Local” is defined as living in the South Glens Falls School District boundaries. Coaches will be required to submit their town of residence with the field use request.	_____
		A team that has a subtotal greater than or equal to 8 points is considered a “local” or In-Town team and receives In-Town field use fees. A team with a subtotal less than 8 points is considered an Out-of-Town team and receives Out-of-Town field use fees.	<b>Subtotal of Metrics 1 and 2:</b>  _____
<b>3. Hosted Prior Tournaments at Harry Betar Rec Park</b>	Have not hosted a prior tournament = <b>+0 points</b>  Have hosted a prior tournament = <b>+1 point*</b>	*1 point earned for every prior tournament hosted in the last 3 years, with a maximum number of points earned being 10.	_____
			<b>Subtotal of Metrics 1 through 3:</b>  _____
<b>4. Previous season cancellation PENALTY</b>	Have not canceled a prior tournament = <b>-0 points</b>  Have canceled a prior tournament = <b>-2 points</b>	A team or coach assigned a weekend and fields for a tournament at Harry Betar Recreational Park canceled for a non-weather related reason.	_____
		This final total is used to determine pecking order for tournament dates	<b>Subtotal of Metrics 1 through 4:</b>  _____

**Tie breakers (meaning two teams with the same amount of points) for prioritization of field assignments will be handled by a lottery (pulling names from a hat).**
