Re: **Map, Plan and Report**  
Sewer District 1 – Extension 5  
Town of Moreau, New York

Dear Mr. Kusnierz and Board Members:

Laberge Group is pleased to submit for the Board’s review and acceptance, 10 copies of the Map, Plan and Report for the Proposed Sewer District 1 – Extension 5.

The project area for the proposed district is the same as has been discussed at two informal public informational meetings held on February 27<sup>th</sup> and March 27<sup>th</sup> during regular Town Board meetings. The only exception is that the parcels recommended by the Board to be removed from the proposed district are no longer contained within the bounds thereof.

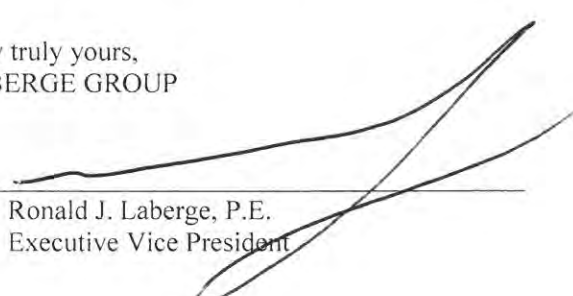

Final rate projections have changed slightly from those discussed at previous informational meetings. Rates now include O&M, have been updated to take into account the assessed value lost from parcels removed from the district and use a modified rate calculation and recommended by the Attorney for the Town and NY Comptroller Office. The taxation method for annual debt service has been modified from being based 100 percent on assessed value to 90 percent on assessed value and 10 percent upon parcel acreage. This combination changes the debt service payments for the parcels within the district. The following table presents how the annual cost per parcel has changed in general:

Annual Cost reduced		64 parcels
Greater than \$0 and less than \$ 100		12 parcels
Greater than \$100 and less than \$ 500		11 parcels
Greater than \$500 and less than \$1000		4 parcels
Greater than \$1,000		6 parcels

As indicated above, the majority of the parcels will see a reduction in the annual debt service cost. The parcels where the annual cost has increased are the larger parcels due to the acreage component in the rate formula. For detail of each parcel, please see the attached spreadsheet entitled Comparison of 100% AV vs. 90% AV & 10% Area.

As always, we will be please to review and discuss the report with the Town. Please do not hesitate to call with any questions or comments.

Very truly yours,  
LABERGE GROUP
