

## Moreau is a “No Sort” recycling facility.

### We recycle all these items in one bin:

- Loose paper
- Newspaper
- Magazines
- Soft-covered books
- Shredded paper in clear bags
- Flattened cardboard boxes
- Cans and bottles that are emptied and rinsed
- All plastic with the Recycle triangle
- Empty pizza boxes

Please see the booth attendant to pay and receive directions for Styrofoam and Hard-covered books.

## PLEASE NOTE:

Only bagged household trash goes in the compactor.

Please ask the attendant for a list of disposal fees for residents and non-residents. Disposal fees are based on the type of item and/or the size of the trash bag.

Please do **NOT** put animal waste or kitty litter in the compactor. It can be paid for and placed in the open bin.

- Attendants are happy to help you if you have questions at any time.

### Helpful hints for disposal of miscellaneous waste items

Gasoline, 2-cycle fuels, pesticides, and household hazardous waste can be added to cat litter or sawdust and allowed to evaporate for a few days. Once it has evaporated, we will accept it.

Paint Cans - We do NOT accept paint that is still in liquid form. To dry it, you can either:

- Open the cans and allow it to dry
- Add cat litter to absorb it
- Line a cardboard box with newspaper and pour the paint in until it dries

Tires - We accept up to two (2) tires per day per customer.

We do NOT accept:

- Construction debris, cement blocks, shingles, insulation etc. Please call Hiram Hollow at (518) 793-1098 to dispose of them.
- Electronics. Please call the Queensbury Transfer Station at (518) 745-4479 to dispose of them.
- Needles and syringes. Glens Falls Hospital accepts these for disposal.

**The following items are available at no cost to Moreau residents for their personal use.**

**Please speak to attendants if you are unsure where to dump these items.**

Disposal of tree branches that are from cleaning your yard are accepted up to 4' in length and 4" in diameter. We do **not** accept wood and branches from lot clearing.

Disposal of leaves and lawn clippings.

Disposal of large appliances can be placed in the open top container. If they contain Freon, please do NOT place them in the bin. Put them in the space provided, and Saratoga County will remove the Freon before recycling.

Disposal of most metal items, car batteries, and empty propane tanks.
