

**SARATOGA COUNTY**  
**PUBLIC HEALTH ADVISORY**  
**March 25, 2020**

Ballston Spa, NY – Saratoga County Department of Public Health has issued the following advisory for Saratoga County.

Individuals who are traveling to Saratoga County from the New York City and greater metropolitan area are asked to self-isolate for 14 days on their arrival to our county. During the 14 day period they should monitor for signs and symptoms of COVID-19. We ask that you contact a healthcare provider for further directions, should you experience symptoms of COVID-19; such as fever, cough and shortness of breath.

The Saratoga County Department of Public Health continues to work diligently to mitigate the impacts of COVID-19 in the county.
