## **SARATOGA COUNTY WORKFORCE GETS THANKS FROM NFL LEGEND, REALITY TV STAR, AND LOCAL ELECTED OFFICIALS**

Ballston Spa, NY – Saratoga County employees and others working on the front lines to stop the spread of COVID-19 today received a round of thank you messages from local elected officials and nationally recognized figures.

“On behalf of the community I’d like to thank you and your attempts to keep our neighborhood and our families safe,” said NFL Hall of Famer Bill Parcells, a Saratoga County resident and former head coach of the New York Giants.

“Words ‘thank you,’ ‘good job,’ and ‘atta boy’ are not near what you deserve,” said Duane “Dog” Chapman, star of the reality TV show *Dog the Bounty Hunter*.

The video included messages from county, state and federal elected officials directed to the county workforce who are working around the clock to support their neighbors during this pandemic.
