Memorial Day Weekend

As we all head outside to enjoy and celebrate Memorial Day Weekend, there are a few important things to remember. It is still recommended that you maintain social distance and wear a mask or face covering while in shared public spaces.

Here are a few different ways you can celebrate safely:

- Get Outdoors – Go for a hike, bike, walk or have a picnic with your household while still maintaining social distance from others
- Game Night – Take on a puzzle or pull out a board game.
- Drive-in Movies – Local drive-in movie theaters have opened with some new rules. Be sure to visit their websites for more information before attending.
- Outdoor Cookout – Order from your favorite restaurant or start up the grill and have a family barbeque at home with the members of your household.
- Driveway Chalk Art – Thank our veterans and honor Memorial Day by making patriotic driveway chalk art for everyone to see on their walks.

Remember to be safe, maintain social distance and help protect all of our loved ones this holiday weekend.
