

THE TOWN HISTORIAN IS COLLECTING HISTORY

for the time period of 1800 - 1940 and will be accepting donations until July 1, 2020.

The town historian has been asked to submit photographic content of Moreau and South Glens Falls in northern Saratoga County from the mid-1800s through 1939.

If selected, the photos will be used for a hardcover, coffee-table style keepsake book featuring Albany area history, and will include images from surrounding Schenectady, Rensselaer, and Saratoga counties.

Photos that you would like included in this project must be submitted by July 1st. Please include as much detail as possible with each photo (the when, where, who, what and why of it all). All submissions will become the property of the Town and will be used as they see fit for this, or any future projects, and will not be returned. All photos, whether originals or copies, are welcome!

Please mail all submissions to:
