

A workshop was held on March 9, 2010 by the Town Board of the Town of Moreau in the Town of Moreau Office Building, 61 Hudson Street, South Glens Falls, New York, for the purpose of discussing a proposed revised Sand, Gravel and Mining/Existing Operations Law.

Supervisor Jenkins called the meeting to order at 6:45 p.m.

The Town Clerk called the roll, which resulted in the following Town Board Members being present or absent:

Town Board Members Present

Tom Cumm	Councilman
Bob Prendergast	Councilman
Gina LeClair	Councilwoman
Preston Jenkins	Supervisor

Town Board Members Absent

Todd Kusnierz	Councilman
---------------	------------

Also Present: Jeanne Fleury, Town Clerk; Martin D. Auffredou, Attorney for the Town; Joe Patricke, Building Inspector/Code Enforcement Officer; Paul Joseph, Highway Superintendent

The Town Board Members had before them a draft copy of a proposed Sand, Gravel and Mining-Existing Operations Law for consideration.

Supervisor Jenkins asked the board members if there were any questions or comments.

Councilman Prendergast pointed out a typo on his copy under section 113-3 that he didn't know if it had been corrected yet or not. The word "is" should be "in" in the first sentence of that section. He also asked if the Cement Company would be affected by this law and Joe Patricke advised that the current footprint of the quarry was what was approved currently.

Supervisor Jenkins stated that the footprint they are approved for now has a 100 year life.

Supervisor Jenkins asked if there was anyone else who wished to be heard. There was no reply.

A motion was made by Councilman Cumm and seconded by Councilwoman LeClair to adjourn the workshop on the mining law at 7:49 p.m.

Roll call vote resulted as follows:

Councilman Cumm	Yes
Councilman Prendergast	Yes
Councilwoman LeClair	Yes
Councilman Kusnierz	Absent
Supervisor Jenkins	Yes

Workshop adjourned.

Respectfully submitted,

Jeanne Fleury
Town Clerk
